

POWER SYSTEMS, INC. OF FLORIDA

"Creating Sustainable Operations through
Advanced Fluid Power and Motion Control
Solutions"

PRODUCTS &
SUPPLIERS
2025

HYDRAULIC

Electrohydraulic

- High Response Servo Valves
- Proportional
- Linear Position Sensors
- VFDs
- Motion Controllers
- HMIs & User Interface

Standard Valves

- Directional Control: Soft Start, Unloading, Spool & Poppet
- Pressure Control
- Flow Control & Check
- Cartridge & Custom Manifolds
- Safety Valves & Manifolds

Filtration

- Pressure & Return Systems
- Spin-On Filters
- Mobile Filter Carts
- Reservoir Accs.
- Diagnostic Equipment & Service
- Particle Counters
- Fluid Sampling

Cylinders

- Tie Rod
- Welded
- Mill Type
- Telescopic
- Custom

Motors

- Piston
- Vane
- Gear
- Radial Piston
- Low Speed, High Torque

Accumulators

- Piston & Bladder
- Diaphragm
- Safety Blocks
- Accessories
- Custom Racks & Skids

Cooling

- Heat Exchangers
- Air, Oil, & Water
- Custom Cooling Solutions
- Industrial
- Mobile

Pumps

- Piston, Vane, Gear
- Variable, Fixed
- Hand, Foot, & Combo
- Mobile & Industrial

PNEUMATIC

Valves

- Flow, Directional, Check, Vacuum, Steam, Specialty
- ISO & VDMA, Serial Bus Comms, Valve Positioners

Air Prep

- Filters
- Regulators
- Lubricators
- Dryers
- Separators
- Transducers

Safety Controls

- Energy Isolation
- Load Holding
- Lockout Valves
- Custom Solutions
- Position Sensing & Monitoring
- Safety Shut-Off
- Solenoid Actuated & Pneumatic
- Hazardous Environment

Cylinders

- ISO, NFPA, Round Body, Rodless
- Valve Actuators
- Rebuild & Seal Kits

Sensors

- Proximity
- Position
- Flow
- Pressure

Accessories

- Tubing & Fittings
- Cables & Connectors
- Air Guns

And More...

- Special Manifolds
- Serial Communication
- Combination Flow Circuits
- Valve-On Actuator Solutions

PROCESS

Valves

- Shut-Off, Process Control, Angle Seat, Manifold, Needle, Ball, Check
- High Pressure, Sanitary/Hygienic, Ultra Clean, Hazardous Environment

Sensors

- Liquid Level
- Temperature
- Pressure
- Flow
- Position
- Liquid Analysis

Instrumentation

- Pressure
- Temperature
- Flow

Liquid Pumps

- Air Driven / High Pressure
- Work Holding
- Static Testing
- Chemical Injection

Gas Boosters

- Air / Hydraulic Driven
- Servo Driven
- Industrial Gases
- Classified Areas

AUTOMATION/ELECTROMECHANICAL

Electrical

- Standard AC Motors
- DC Motors
- VFD / Drives
- Battery

Mechanical

- Gear Reduction
- Linear Actuators
- Passenger Restraints

Electronic

- Motion Controllers
- Valve Drivers / CAN
- Radio Remote / Joystick
- Cable Assemblies

Lubrication

- Injection Pumps
- Series Progressive
- Injectors
- Hard Lines

FLUID CONNECTORS

Hoses

- Thermoplastic
- Tested Assemblies
- Braided
- Spiral

Adapters

- Tube Fittings
- Face Seal
- Flange
- Metric & Conversion

Accessories

- Pipe & Tube Clamps
- QD & Multi-Connects
- Protective Covers
- Pipe & Tube Assemblies

Equipment

- Crimpers
- Cut Off Saws
- Hydro Test
- Projectile Cleaner

CUSTOM SERVICES

Design

- Hydraulic Power Units
- Valve Manifolds
- Machine Circuits
- Application Engineering

Repair

- Pumps
- Gas Boosters
- Valve Assemblies
- Cylinders

On-Site

- Field Piping
- Start Up / Commissioning
- Flushing
- Troubleshooting

Value Add

- Component Kitting
- Partial Assembly
- Private Label
- VMI
